Overview: Great investment!!!!!! Lovely double plot of 1200 m² in Sierra Gorda , Coin . It is located in the best part of this urbanizable area of Sierra Gorda just few minutes drive from Coin village and amenities, 20 minutes drive from Marbella coastline, malaga airport. This countryside has just started to develop and is well demanded for its proximity to services , seaside and at the same time for the peaceful countryside feeling. Each plot has 600 m² and could be sold individually with a different price. Building permission is 0,25% plus terraces and basement. A pre project of a villa is available to have an idea of what can be built. Great opportunity to acquire now at a good price.
