Overview: Beautifully Renovated Andalusian Villa with Pool in La Paca, Alhaurín el Grande Located in the highly sought-after urbanisation of La Paca, on the Málaga side of Alhaurín el Grande, this detached and fully renovated Andalusian villa offers charm, space and excellent accessibility. Positioned on the outskirts of town yet within walking distance of local amenities, it combines a peaceful setting with everyday convenience. Renovated in 2022 while retaining original character features, the property now comprises four bedrooms, each with its own en-suite bathroom. The villa is bright and spacious, with lovely open views towards the Sierra de Mijas mountains. Set on a walled plot of 750 m², the house is surrounded by a mature, low-maintenance garden with subtropical planting, lemon and palm trees. Outdoor living is a key feature, with a private swimming pool, sun deck, breakfast terrace, balcony and a fully equipped outdoor kitchen with BBQ and toilet. Internally, the property is arranged over two floors. The entrance hall with open staircase leads into a generous living room with fireplace and direct access to the garden through sliding doors. The spacious kitchen, fitted with new appliances, sits adjacent to the dining area. The master bedroom is conveniently located on the ground floor, while three further en-suite bedrooms are found on the first floor. Additional features include a very large garage, gated driveway with off-street parking, and a substantial separate basement storage area. Part of the garage could easily be converted into a private apartment, with existing connections already in place. The property is in excellent condition and ready to move into. It is equally well suited as a permanent residence, family home, holiday property or rental investment. The villa is currently operating as a successful boutique Bed & Breakfast. Ideally located, the property is less than 30 minutes from Málaga Airport, the beaches, Málaga city and nearby towns such as Mijas.
