Overview: This absolutely superb, renovated semi detached house has the most spectacular panoramic sea views. Situated in a quiet cut de sac the upper part of El Chaparral, and just a short drive to La Cala de Mijas, the house shares a pool with just 3 other houses. The current owners have completely transformed the house with a full renovation, and even the fabulous designer furniture could be included in the price, depending on the offer. On the upper floor are a car port, and entrance hall and 2 large bedrooms and 2 bathrooms. The primary bedroom suite is particularly large and accesses a terrace with those stunning views. Downstairs is the large living dining room, brand new fully fitted kitchen, a large covered terrace area and a private garden with access to the pool. The views and the light in this house are just wonderful, a really special property....
