Printing day : 5th November 2026

Overview:Town house located in Marbella Centro, within the casco antiguo, offering an interesting investment proposition for renovation in a central urban setting. The property benefits from urban views, as well as a convenient position close to amenities, transport, shops, schools, restaurants, the port, the sea and the beach, with golf facilities also within easy reach. The current layout is arranged over 3 levels with a total of 165m2, comprising of a ground floor with a kitchen and living room of 45 m², a first floor with bedrooms and 1 bathroom,60m2, and a second floor with additional bedrooms of 60 m². It is offered unfurnished and requires renovation, providing scope to redesign the interior distribution and finishes according to a new concept. Positioned in Marbella town centre, it is well located for daily services and local points ■of ■interest, ■making ■it suitable ■for ■a ■residential ■project or ■for ■redevelopment into ■a small hotel ■or a ■block of ■apartments, subject to ■the ■necessary ■permissions ■and ■planning ■requirements.
